SPY TECH™

A complete line of real working, high-tech spy equipment

Children have always loved playing spy games with their friends and family—until now they've lacked the tools of the espionage trade to act out this natural play pattern.

Now SPY-TECH™ has arrived from TYCO—a complete line of real working, high-tech spy equipment. Now playing spy with friends and family is more exciting and more fun than ever before!

All items in the new SPY-TECH™ line actually function. All have an authentic high-tech electronic look which appeals to a broad range of ages and sophistication levels.

Each SPY-TECH™ item comes with its own 12 page Training Manual packed with sly spy game tricks and information. A wide range of undercover topics—camouflage, tracking, tailing, surveillance and more.

Now—sneak a peek at the entire line...
