SPY TECH™

Hidden Camera

SPY-TECH Hidden Camera
with Spy Accessories
No. 1340

New

Take photographs without anyone ever suspecting. Small size makes it easy to hide and use secretly. Uses standard 110 film. Two special features for espionage: a right-angle mirror that lets user view and photograph around corners, or over tops of walls; plus a Good 'n' Plenty® candy box to slide around the camera to permit shooting without detection. Includes special SPY-TECH Training Manual.

- Shoots around corner
- Looks like an ordinary candy box

The ultimate miniaturized 110 spy camera
